

Churches Together in Kington

Report for the PPC

Monday 27th January

Churches Together in Kington have had five meetings since January 2024

We have come together for joint services in the various churches

Two Lent Groups were held both well attended

Good Friday we held a service at Kington Court with the residents joining in with the prayers and Hymns and the committee provided Hot Cross Buns for the residents and visitors.

On Sunday 19th May a Pentecost Praise service was held at the Baptist Church

Each church choosing three hymns and prayers and the remainder of the service was prepared by the chairman.

Sunday 20th October a joint service was held in St Bede's the theme of the service was Jesus the Healer once again each church provided Hymns and readings.

In December we held a Christmas Carol Service in the barn at the Oxford Arms where we had musicians from some of the churches leading us.

We produced Christmas leaflets which were circulated around the area and contained dates of the services in all the churches with a welcoming message from the chairman

The usual Crib was erected in the tourist information window.

Joint services are held monthly by a group of people from the various churches in Kington Court led by the Baptist Minister Rev Ross.

We have also discussed how we can widen our message to the younger people in the town a meeting was held with an organization known as Kick, following the meeting we decided that this would be discussed in the New Year

Our next meeting will be our AGM when we will welcome the new vicar of St Mary's following a long interregnum
